

Please allow KLOVE to broadcast nationally - by rebroadcasting in my area, Minnesota. I have enjoyed this station more than anything available locally - they provide a service that cannot be replaced by a local station. To me it would be a tragedy to lose a station that provides upbeat, clean, encouraging music and DJ's that are caring and uplifting. I appreciate their unbiased reporting of news with special features that highlight areas that interest me, which I also, could not get elsewhere. It is in the public interest to keep this station on the air because KLOVE provides for families that want positive, clean, safe music and announcing that will never be offensive, vulgar or inappropriate for children. We could all use more positive influences like this station in our lives, I know I could. Thank you very much,
